

PRECAUCION: AL USUARIO: Si usted no lee ingles, no use este producto hasta que la etiqueta la haya sido explicada ampliamente.

USED IN: Sewage Plants, Service Stations, Garbage Trucks, Automotive Plants, Theatres, Locker Rooms Rest Rooms, Schools, Restaurants, Buildings, Nursing Homes.

USED TO: Degrease Trucks, Clean Floors and Parts, Declog Grease Traps, Removes Printers Ink, Tire Marks, Soap Scum, Decals, and more.

Cleans equipment, De-Tar Vehicles, Loosen Gum

DESCRIPTION: A Bio Based super strength product from orange peels. It is the natural answer to degreasing, drain and grease trap cleaning and maintenance and odor control problems. Super concentrate citrus solvent degreaser that dilutes with water. NO chlorinated solvents or harsh chemicals and is not corrosive. Used effectively in sewage treatment plants, landfills, waste disposal facilities and for the maintenance of drains, refuse trucks and cans, and garbage areas. Revitalizes sluggish disposal equipment without affecting bacterial activity. Effectively controls odor. Will not harm metal pipes. Degreased equipment, machinery, and other metal surfaces quickly and efficiently.

DIRECTIONS: ALL PURPOSE DEGREASING: (Concrete floors, grills and hoods, kitchen floors, machinery, etc.) Spray or sponge on, allow to stand 2-4 minutes before rinsing with clear water. Use diluted up to 50:1 withwater, depending on desired task and apply in same manner.

DRAIN & DISPOSALS: To open drains clogged by grease and slime, pour 8 oz. directly in drain or disposal. After standing flush with hot water. Do not use in plastic pipes. For maintenance add 3-4 ounces to each drain and let stand 5-10 minutes. Flush with water 2 minutes.

GREASE TRAPS: Pour in solution of 8 oz. per gallon of water. Allow to stand 1 hour. Flush with hot tap water.

TAR & ASPHALT REMOVER: Apply undiluted to soiled surface by spraying, mopping, or pouring. Allow to stand 2-4 minutes, agitate if necessary. Rinse with water preferably under pressure.

TIRE MARK REMOVAL: Apply as above. Allow to stand 1-2 minutes. For best results agitate the area while product is penetrating. Hose off with water and squeegee or vacuum dry.

ODOR CONTROL: Spray mist into air to help control malodors. For surface spray, spray to lightly wet source of malodor.

TILE & TUB: Sponge, mop or brush surface. Let stand 2-3 minutes, agitate and rinse with clear water. Ideal for soap film.

SPOT REMOVAL: Dampen a clean, white cloth and rub gently, working from the outside of the spot toward the center. For gum removal use a dull knife to remove large particles.

GARBAGE TRUCKS & DUMPSTER CLEANING: Mix 1 gallon to 20 gallons of warm water. Spray the solution on surface to be cleaned or degreased. Let stand 2-3 minutes. If necessary, agitate with a brush then hose off with water.

STAINS FROM CONCRETE: Remove oil stains from concrete driveways. Pour or spray directly on stain. Allow 3-5 minutes to dissolve stain, rinse off. Contents/CAS: Orange Terpenes/ 5989-27-5, Surfactant blend, Partial Contents Trade Secret
