

DESCRIPTION

Using the power of hydrogen peroxide, this product is the latest generation in cleaning. Specifically formulated at a higher pH than other cleaners, the hydrogen peroxide is more active, which provides better cleaning and stain removing. This higher pH also allows the surfactants to be more effective, ultimately giving you better cleaning performance.

Use it on many surfaces including glass, carpets, fabrics, furniture, upholstery, stainless steel, plastic, metal, clothing, countertops, sinks, floors, appliances, tile, grout, and walls. Remove soils such as coffee, red wine, tea, juice, Kool-Aid®, grass stains, ink, blood, grease, pet stains, and soda.

Wash thoroughly after handling. Wear eye protection, protective clothing, protective gloves. Take off contaminated clothing and wash it before reuse.

IF ON SKIN: Wash with plenty of water. **If skin irritation occurs:** Get medical advice/attention. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a doctor.

DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash.

*For industrial and commercial use only.
For additional information, see Safety Data Sheet.*

TOTAL SOLUTIONS®

CLEANERS and DEGREASERS

HYDRO POWER™ CONCENTRATE

Cleaner, Degreaser, and
Stain Remover

- HIGHER pH FOR BETTER PERFORMANCE

DANGER

Causes skin irritation.

Causes serious eye damage.

KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: One Gallon (128 fl. oz.)

Manufactured By: Total Solutions®
PO Box 240014 • Milwaukee, WI 53224 • 1-800-743-6417

DIRECTIONS

FOR LIGHT-DUTY CLEANING AND AUTOSCRUBBERS: Dilute 1 ounce per gallon of water to clean surfaces such as glass, mirrors, stainless steel, and countertops. Use this dilution for use through autoscrubbers.

FOR MEDIUM-DUTY CLEANING: Dilute 3 ounces per gallon of water for cleaning stains, greases, and oils. This dilution may also be used for odor elimination in bathrooms and in garbage areas.

FOR HEAVY-DUTY CLEANING: Dilute 10 ounces per gallon of water for stubborn stains, shop floors and bathroom surface renovation. This product may be used undiluted for extremely greasy areas and very difficult stains on hard surfaces.
