DIRECTIONS FOR USE

**For Use on Hard, Non-porous Environmental Surfaces and Soft Spot Surface Sanitizer applications.**

Use in: Healthcare, Schools, Hotels, Restaurants, Commercial Establishments, Homes

**MULTI PURPOSE DISINFECTANT KILLS 99.9% GERMS**

**CONTROLS MOLD AND MILDEW ELIMINATES ODORS**

**Bactericidal - Antiviral - Fungicidal**

**Viral: **Tuberculosis

Manufactured by CCL AES C1003

Lavender Scent

**For Use on Hard, non-porous surfaces and soft spot surface sanitizer applications. For non-food applications on: hard, non-porous surfaces, door knobs, light switches, toilets, sinks, bathtubs, showers, kitchen appliance surfaces, garbage cans.**

**For Control of Mold and Mildew: **

- **Kills** Poliovirus type 1 in 5 minutes on pre-cleaned, hard, non-porous surfaces.

- **Fungi:** Trichophyton rubrum (athlete’s Foot Fungus) (ATCC 66033) (10 minute contact time)

- **Kills** Mycobacterium bovis (TB) in 10 minutes on pre-cleaned, hard, non-porous surfaces.

- **Viruses:** Adenovirus Type 2, 2009 H1N1 Influenza A Virus, Influenza B Virus, Human Immunodeficiency virus type 1 (HIV-1), Hepatitis simplex virus type 1, Hepatitis simplex virus type 2, Retinavirus, Variola virus, Rhabdovirus type 5.

- **Kills** Poliovirus type 1 in 5 minutes on pre-cleaned, hard, non-porous surfaces.

- **Fungi:** Trichophyton interdigitale (athlete’s foot) (ATCC 10033)

**Keep Out of Reach of Children**

CAUTION

See back panel for First Aid and additional Precautionary Statements.

Disinfects on hard, non-porous surfaces and soft spot surface sanitizer applications. For non-food applications on: hard, non-porous surfaces, door knobs, light switches, toilets, sinks, bathtubs, showers, kitchen appliance surfaces, garbage cans. For control of mold and mildew: on hard, non-porous surfaces, on tables, counter tops, appliances, and toys in Kitchens, Restaurants, Commercial Establishments and Homes. Sanitizes soft non-food contact surfaces as a spot treatment.

Claire Disinfectant Spray Q sanitizes and kills 99.9% of Staphylococcus aureus (MRSA) and Enterococcus aerogenes in 3 minutes on pre-cleaned, hard, non-porous surfaces.

Claire Disinfectant Spray Q kills the following bacteria, fungi, and viruses in 3 minutes on pre-cleaned, hard, non-porous surfaces.

**Bacteria: **

- Pseudomonas aeruginosa (ATCC 15442), Salmonella enterica (ATCC 10706), Staphylococcus aureus (ATCC 6538), Acinetobacter baumannii Multi Drug Resistant (ATCC 19606), Carabapenem Resistant Escherichia coli (CDC HP 5308), Acinetobacter baumannii (ATCC 11183), Pseudomonas aeruginosa (ATCC 10231).

**Viruses:**

- Adenovirus Type 2, 2009 H1N1 Influenza A Virus, Influenza B Virus, Human Immunodeficiency virus type 1 (HIV-1), Hepatitis simplex virus type 1, Hepatitis simplex virus type 2, Retinavirus, Variola virus, Rhabdovirus type 5.

**Fungi:**

- Trichophyton interdigitale (athlete’s Foot) (ATCC 10033) (10 minute contact time)
- Mycobacterium bovis (TB) in 10 minutes on pre-cleaned, hard, non-porous surfaces.

**Hazards to Humans & Domestic Animals**

**CAUTION:** Causes moderate eye irritation.

- Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**Additional Precautionary Statements**

- **Waste:** Not a hazardous waste under SW800.
- **Spill:**工程 USE OF PPE: Disposable gloves, protective eye wear. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**Physical or Chemical Hazards**

Flammable. Contents under pressure. Do not puncture or incinerate container. Do not put into sewage system. Do not incinerate container. Do not refill or reuse this container. Do not use on medical devices or for infectious waste disposal. Store in a cool, dry place.

**Storage Instructions**

Store the container in a low, dry, cool, and well-ventilated area. This product is not for use on medical devices or for infectious waste disposal. This product is not for use on medical devices or for infectious waste disposal. This product is not for use on medical devices or for infectious waste disposal.

**Non-refillable container.**

- **For use as a fungicide against Trichophyton interdigitale (Athlete’s Foot):** Apply to clean surface holding can upright 6” to 8” from area to be treated. Spray until surface is thoroughly wet. Allow to dry without wiping or allow spray to contact treated surface for a minimum of 10 minutes prior to wiping. Reaplication is necessary if surface is dried before contact time is achieved. When used on toys or food contact surfaces such as countertops, baby and appliance, thoroughly rinse surfaces with potable water before use. Do not use on utensils, dishes or glasses.

- **To Kill (TB) Mycobacterium bovis:** Pre-clean surface, hold can upright 6” to 8” from area to be treated. Spray until surface is thoroughly wet. Allow to dry without wiping or allow spray to contact treated surface for a minimum of 5 minutes prior to wiping. Reaplication is necessary if surface is dried before contact time is achieved. When used on toys or food contact surfaces such as countertops, baby and appliance, thoroughly rinse surfaces with potable water before use. Do not use on utensils, dishes or glasses.

- **For use as a fungicide against Trichophyton interdigitale (Athlete’s Foot):** Apply to clean surface holding can upright 6” to 8” from area to be treated. Spray until surface is thoroughly wet. Allow to dry without wiping or allow spray to contact treated surface for a minimum of 10 minutes prior to wiping. Reaplication is necessary if surface is dried before contact time is achieved. When used on toys or food contact surfaces such as countertops, baby and appliance, thoroughly rinse surfaces with potable water before use. Do not use on utensils, dishes or glasses.

- **For Spots on Sanitation of Soft Non-food Contact Surfaces: After surface is cleaned, hold can upright 6” to 8” from area to be treated. Spray until surface is thoroughly wet. Allow to dry without wiping or allow spray to contact treated surface for a minimum of 10 minutes prior to wiping. Reaplication is necessary if surface is dried before contact time is achieved.

- **For Control of Mold and Mildew: Apply to holding can upright 6” to 8” from area to be treated. Spray until surface is thoroughly wet. Allow to dry without wiping or allow spray to contact treated surface for a minimum of 3 minutes prior to wiping. Reaplication is necessary if surface is dried before contact time is achieved.

- **Kills HIV on Pre-Cleaned Environmental Surfaces Previously Soiled with Blood/Body Fluids in health care settings or other settings in which there is an expected likelihood of soiling of inanimate surfaces/objects with blood or body fluids, and in which the surfaces/objects likely to be soiled with blood or body fluids can be associated with the potential for transmission of human immunodeficiency virus* Type 1 (HIV) (associated with AIDS): Special Instructions for Cleaning and Decontamination Against HIV on Surfaces/Objects Soiled with Blood/Body Fluids: Personal Protection: When handling items soiled with blood or body fluids, use barrier protection: disposable latex gloves, gowns, and eye covering. Cleaning Procedure: Blood and other body fluids must be thoroughly cleaned from surfaces and objects before application of this disinfectant. Contact Time: Spray surface to be treated: 3-4 seconds, from a distance of 6–8 inches, until surface is wet. Allow spray to dry without wiping or allow spray to contact treated surface for a minimum of three minutes except for Poliovirus Type 1 which requires five minutes, prior to wiping. Disposal of Infectious Materials: Autoclave blood and other body fluids and disposed of according to federal, state and local regulations for infectious waste disposal. This product is not for use on medical devices or medical equipment surfaces.

**Storage and Disposal**

Pesticide Storage: Store in a cool, dry, preferably locked place inaccessible to children and pets away from direct sunlight, windows, flames and other sources of heat or ignition. Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Container Disposal: Non-refillable container. Do not refill or reuse this container. Do not puncture or incinerate! Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans & Domestic Animals: **

**CAUTION:** Causes moderate eye irritation.

- Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**First Aid**

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes.

If on Skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor for treatment. You may also contact 1-866-836-8855 for emergency medical treatment information.

**Physical or Chemical Hazards:**

Flammable. Contents under pressure. Do not use or store near fire, sparks or heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Incineration of container may cause explosion.

**Active Ingredients:**

- Alkyl (60% C 14, 30% C 16, 5% C 18, 5% C 12) dimethyl benzyl ammonium chloride ........................... 0.16%  
- Alkyl (68% C 12, 32% C 14) dimethyl ethylbenzyl ammonium chloride ...... 0.16%  
- Other Ingredients ............................................................. 99.68%

**Net Wt. 17 oz. (1 lb. 1 oz.) 482 grams**
