

## ENGINE STARTER

### DANGER:

Extremely flammable aerosol. Extremely flammable liquid and vapor. Contains gas under pressure; may explode if heated. Harmful if swallowed. May be fatal if swallowed and enters airways. Causes skin irritation. Causes eye irritation. May cause drowsiness or dizziness. May cause cancer.

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Keep away from heat, sparks, open flames, hot surfaces. Do not smoke. - No smoking. Do not spray on an open flame or other ignition source. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical, lighting, ventilating equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Pressurized container: Do not pierce or burn, even after use. Avoid breathing fume, vapors, spray. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Wear protective gloves, eye protection. Take off contaminated clothing and wash it before reuse.

**FIRST AID: IF SWALLOWED:** Immediately call a doctor, a POISON CENTER, Do NOT induce vomiting. Rinse mouth. **IF ON SKIN (OR HAIR):** Take off immediately all contaminated clothing. Rinse skin with water/shower. **If skin irritation occurs:** Get medical advice/attention. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **If eye irritation persists:** Get medical advice/attention. **If exposed or concerned:** Get medical advice/attention. Call a doctor, a POISON CENTER if you feel unwell.

**In case of fire:** Use carbon dioxide (CO<sub>2</sub>), dry extinguishing powder, foam to extinguish.

Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50 °C/122 °F. Dispose of contents/container to comply with local/regional/national/international regulations

**CONTAINS/CAS NUMBER:** Heptane/142-82-5; Diethyl Ether/60-29-7; Heavy Hydrotreated Naphthenic Distillates/64742-52-5; Carbon Dioxide/124-38-9

## ENGINE STARTER

For All Gasoline and Diesel Engines

KEEP OUT OF REACH OF CHILDREN

**DANGER**

Extremely flammable aerosol.

Extremely flammable liquid and vapor.

Contains gas under pressure; may explode if heated. Harmful if swallowed. May be fatal if swallowed and enters airways.

Causes skin irritation. Causes eye irritation.

May cause drowsiness or dizziness.

May cause cancer.

Read carefully other cautions on back panel.

**NET WT: 11 OZ**

Distributed By: Total Solutions®

PO Box 240014 • Milwaukee, WI 53224 • 1-800-743-6417

### DESCRIPTION

ENGINE STARTER is designed to provide quick starts for all engines in extreme cold or damp weather. Its lubricants protect engines from corrosion while preserving batteries and ignition systems by minimizing cranking time. ENGINE STARTER is designed for use on 2- and 4-cycle engines that use either gasoline or diesel fuel, and is effective down to -65°F.

### DIRECTIONS

Do not flood engine before using. Spray ENGINE STARTER into air cleaner or carburetor once for 2 to 3 seconds. Stand clear because carburetor can backfire. Try starting engine in normal manner. If engine doesn't start repeat above procedure up to three more times. If engine still fails to start, ignition should be checked by a professional.

**NOTE:** Avoid contact with battery terminals, solenoid, or other electrical components. Never spray while ignition is in "ON" position. Avoid overuse of product. Do not smoke while using product.

This diesel fuel additive complies with the Federal low sulfur content requirements for use in diesel motor vehicles and non-road engines.

### DO NOT USE ON ENERGIZED EQUIPMENT

**Cautions:** Use with adequate ventilation. Intentional misuse by concentrating and inhaling the product can be harmful or fatal.

**KEEP OUT OF REACH OF CHILDREN.**

### HMS® RATINGS:

HEALTH - 2, FLAMMABILITY - 4, PHYSICAL HAZARD - 0, PERSONAL PROTECTION - X.
